The IDS was filed on March 14, 2005, while the search report has a date of September 6, 2004. Applicant indicates that since the search report is more than 3 months old, the fee under 37 CFR 1.97(d) as set forth in set forth in 37 CFR 1.17(p) has been paid. The fee is required for consideration based on the time of filing the IDS, however the fee does not negate the search report being more than 3 months older than the filing date of the IDS. Additionally, document
